

WELCOME TO MR. STELLE's CLASS

CLASS CURRICULUM & EXPECTATIONS

- This course has been carefully aligned with the state frameworks and curriculum standards of California.
- Students will be required to complete a series of standardized lessons from their textbook in addition to associated class activities, tests and quizzes measuring student knowledge on basic facts.
- Much of the course content will also be made available via the Internet at <http://www.tedstelle.com>.
- Several mandatory class projects will also be administered.

CLASSROOM RULES

1. All rules listed in the student handbook, including the school's Honor Code, and tardy policy will be enforced.
2. Disruptive and/or abusive behavior towards other students or teacher will not be tolerated.
3. Students who are legitimately absent will be expected to complete an assignment that will be equivalent to the missed lesson. Students will expect to complete the assignment before the test on the material is administered.
4. Students who are truant **will not** be allowed to take tests on the material and a zero grade will be given.
5. Students who fail to appear at make-up appointments or are truant from class will not be allowed to make up missed work. A zero (0) grade will be assigned.
6. Students who are habitually truant will have their participation grade, and ultimately their class grade lowered. Habitual truants are at grave risk of failure.

It is hoped that students realize that education is one of the most important priorities in their lives, and will actively pursue excellence in their work.

GRADES

Grades will consist of all homework assignments, projects, quizzes and exam scores. In addition, students will be allowed to perform a variety of extra curricular assignments as means of extra credit. This may include, but not limited to Internet assignments, worksheets, essays, etc.

Grades
89+% A
78-88.9% B
67-77.9% C
60-66.9% D
Below 60% F

A note about homework- It will be collected at random and have the same assessment weight as quizzes.
